## Celebrate The Scent Of Divinity Within!

Andrea Olivera's Rituals for Rejuvenation Ayurveda skincare and Vedic-inspired perfumes have been masterfully created from Ayurveda botanicals, exotic fruits and spices and precious essences and attars according to age-old tradition and strict modern standards. Celebrate your unique mind and body type with these masterfully designed fragrances from Ayurveda Earth Wisdom botanicals!

Rumi Perfume is intoxicating — a blend of Persian attars from Eastern gardens invokes the soul's journey towards union. Krishna Perfume is blended with

aphrodisiac attars inspires union with the Beloved... Shiva Perfume is a mystical blend of black coconuts and black roses from Sudan! This entices your senses and transforms your energy levels. Ganesha Perfume, an uplifting melody of citrus attars and enticing essential oils mixed with delicious chocolate scents, clears the mind, aids in concentration and attracts sweetness into your life. Devi Perfume is a bouquet of vintage red roses and Persian lilies that invokes tranquillity and peace in the heart chakra.
